TRAZADONE					
TRILOSTANE ANHYDROUS ORAL (VET)					
URSODIOL					
ZONISAMIDE					

**Notes**

1. Suspensions are produced in an anhydrous base with a shelf life of up to 3 months.
2. Most prescriptions can be made in an aqueous base with a shelf life up to 30 days if the anhydrous base disagrees with the patient.
3. The majority of capsules are the size #4, approximately the size of a tic tac.
4. All branded and commercially available tablets can be included with compounded medications.
